5. It was for gross laxity of supervision on the part of the two officers that their increments, i.e. their right to earn increments were suspended until further orders in February 1902. To have allowed them to resume their increments on the 16th July 1903 would have been inappropriate, as this would have been equivalent to the period of suspension of the right to earn increments, i.e. the period 16th July 1902 to 15th July 1903 was qualifying for earning increments. It was for the reason that the order of 12th August 1903 permitted the men to earn increments with effect from 16th July 1903. This order therefore does not require reconsideration.

Sir,

I have the honor to enclose copy of letter No.6367/ T.A.D.gr.I.1078 dated 10th May 1904, from the Comptroller of Mysore, in which he refers to Government Order No.376-77/ J.F.19 of 99-00 of 12th August 1903 - a Government Order, passed on this Office No.756/J dated 18th July 1903, in which I recommended that Messrs. McGuire and Coelho, who had had their increment of pay kept in abeyance owing to their connection with the escape of prisoners from the Jail in Mysore, shoul be permitted to resume their increment with effect from the beginning of the current official year, that is 1st July 1903

2. It will be observed that the Comptroller interprets the Government Order in question to mean that the said officers McGuire and Coelho should be permitted to earn their increment from 1st July 1903 and not actually draw it.

3. In point of fact I agree with the Comptroller's interpretation but, as, on reading the Government Order carefully I conclude that the word "earn" has been inserted by inadver tence in the said Government Order instead of the word "resume", I have the honor now to request that the word"resume" be inserted in the Government Order instead of "earn".

4. My reason for believing that the word "earn" has been inadvertently used instead of "resume" is that the Governme Order begins as follows:- "As recommended by the Inspector General &ca." showing that it was the intention of Governme

to approve my recommendation. But my recommendation was that the officials should "resume" and not "earn", so that the word "resume" and not "earn" should have been used in the Government Order, if indeed it was their intention to approve of my recommendation.

In reference to his docket No.231/J dated 10th March 1904, forwarding an application presented by Mr.McGuire Deputy Jailor Bangalore Central Jail and requesting to be informed of the objection which precludes him from drawing his annual increment from 1st July 1903, has the honor to invite his attention to Government Proceedings No.13479-80 J.1135 dated 14th February 1902 and No.376-77/J.F.190/99-00 dated 12th August 1903 from which it will be seen that Mr.McGuire was permitted to earn and not draw his increments, which was ordered to be stopped in the first of the two Proceedings, with effect from the 1st of July 1903.

For the purpose of reckoning the period of service which counts for increment under Articles. 98, 99 and 102 of the Mysore Service Regulations, the date of the commencement of service, under the authority of the Proceedings quoted above is 1st July 1903 and Mr.McGuire will therefore draw his first increment from 1st July 1904.
